Purpose & Scope

iReside is an integrated cloud platform for residential rental operations.

It streamlines rent collection, utility submetering, and property maintenance.

This manual provides standard operational workflows for landlords and tenants.

All procedures reflect verified production software controls and button names.

Operational Standards & Architecture Invariants

STANDARD PILLAR	SYSTEM IMPLEMENTATION	OPERATIONAL REQUIREMENT
Two-Role Model	Strict Landlord and Tenant separation.	Zero administrative backdoors or human admin roles.
Legal Compliance	Adheres to RA 10173 and RA 8792.	Guarantees privacy and binding digital signatures.
Client Access	Progressive Web App and Android APK.	Provides access across smartphones and desktop computers.

> **Guide Standard:** Follow sequential numbered steps to ensure consistent property operations.

Prerequisites Before Getting Started

Ensure you have the following items ready before accessing iReside:

- **Smartphone or Computer:** Any modern Android phone, iPhone, or laptop.
- **Internet Connectivity:** Active Wi-Fi or mobile cellular data connection.
- **Valid Email Address:** Used for login verification and digital receipts.
- **Account Credentials:** Email and temporary password provided by management.

How to Sign In to Your Account

Follow these standard steps to authenticate into the system:

1. Open your browser and navigate to the official iReside portal.
2. Enter your registered email address in the **Email Address** field.
3. Enter your password in the **Password** field.
4. Click the **Sign In** button.
5. Retrieve the 6-digit verification code sent to your email inbox.
6. Type the code into **6-Digit Verification Code** and click **Verify & Sign In**.

Sign-In Credentials & Verification Matrix

CREDENTIAL FIELD	INPUT FORMAT	VERIFICATION RULE
Email Address	Standard valid email string	Must match active profile record.
Account Password	Minimum 8 alphanumeric characters	Case-sensitive credentials.
Verification Code	6-digit numeric OTP code	One-time code expiring in 10 minutes.

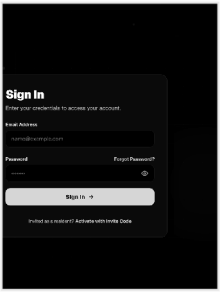

FIGURE 1: PORTAL SIGN IN SCREEN (EMAIL, PASSWORD, AND SIGN IN BUTTON)

> **Warning: Never share your password or verification code with anyone. Keep it confidential.**

How to Install the Mobile App

You can install iReside on your mobile phone for fast daily access:

ANDROID Installing on Android Phone

1. Open the left sidebar menu and click **Download App**.
2. Click **Download iReside App** to save the APK file.
3. Open your downloaded file and click **Install**.
4. When prompted by Android security, tap **Allow** to continue.

IPHONE Adding to iPhone Home Screen

1. Open the Safari browser and navigate to the iReside portal.
2. Tap the **Share** button at the bottom of the screen.
3. Scroll down and tap **Add to Home Screen**.
4. Tap **Add** in the top-right corner to complete setup.

Mobile Device Compatibility & Requirements

PLATFORM	MINIMUM SYSTEM	SUPPORTED FEATURES
Android Client	Android 8.0 (Oreo) or newer	Native APK wrapper, push alerts, camera uploads.
Apple iOS	iOS 14.0 or newer	Safari Home Screen PWA, camera uploads.
Desktop Browser	Chrome, Firefox, Safari, Edge	Full keyboard navigation, dual monitors, export tools.

The Emergency Spare Key (Account Recovery)

Just like a spare physical house key, this unlocks your account safely.

Emergency Spare Key Specifications

SECURITY PARAMETER	SPECIFICATION STANDARD	SAFETY DIRECTIVE
Code Structure	16 uppercase alphanumeric characters	Divided into 4 hyphenated blocks.
Storage Method	One-way bcrypt cryptographic hash	Plaintext key is never stored online.
Usage Restriction	Single-use emergency recovery token	Automatically rotated upon successful login.

> Store your Emergency Spare Key safely on a flash drive or notepad.

TASK T1 Sign Digital Lease Agreement (Sign Lease)

Before moving in, residents must digitally execute their lease contract:

1. Click **Leases** in the main navigation menu.
2. Click the **Review & sign** button at the top of the screen.
3. Carefully review monthly rent, security deposit terms, and building rules.
4. Click **Sign Document** to open the digital signature pad.
5. Draw your signature using your finger or mouse cursor.
6. Click **Finalize** and confirm to submit your signed lease.

TASK T2 Review Monthly Rent and Due Dates

Track your active rental dues, utility submeters, and payment history:

1. Click **Finance Hub** in the main navigation menu.
2. Review the top balance summary card labeled **Total Balance Due**.
3. Inspect current water and electric consumption calculated from submeters.
4. Review upcoming payment deadlines to avoid late payment notices.
5. Click **View Statement** to inspect an itemized billing breakdown.

Lease Terms & Invoice Status Matrix

TERM / STATUS	OPERATIONAL POLICY	TENANT DIRECTIVE
Monthly Rent	Payable on the first day of each month.	Submit payment receipts promptly via portal.
Security Deposit	Guarantees damages and unpaid bills.	Refunded within 15 days following move-out.
Unpaid / Overdue	Current or past due invoice balance.	Settle balance immediately to prevent penalties.
Paid / Pending	Approved or queued for verification.	Download and archive digital payment receipt.

Philippine Tenancy Compliance & Statutory Standards

REGULATORY STANDARD	STATUTORY REQUIREMENT	COMPLIANCE POLICY
Rent Control Act	Annual rent increase limits apply.	Automatic statutory rate capping.
Deposit Ceiling	Maximum two months advance rent.	Configurable deposit input constraints.
Grace Period	Standard 5-day payment leeway.	Penalties apply only after grace days.

TASK T3 Pay Rent via GCash or Maya

You can settle rental payments electronically without leaving home:

1. Open **Finance Hub** and click the **Upload Payment** button.
2. Scan the landlord GCash QR code or copy the recipient mobile number.
3. Complete payment inside GCash and capture a screenshot of your receipt.
4. Return to iReside and upload the payment proof screenshot image.
5. Type the exact **Reference Number** from your payment receipt.
6. Click **Submit Payment** to transmit verification to management.

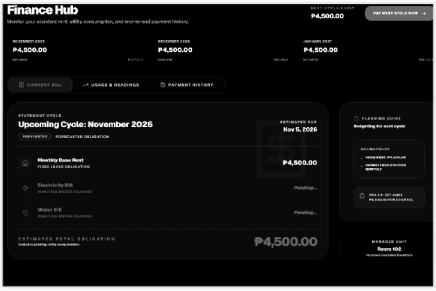

FIGURE 2: FINANCE HUB (TOTAL BALANCE DUE AND UPLOAD PAYMENT BUTTON)

TASK T4 Pay Cash Directly to Landlord

If you prefer paying rent with physical cash to management:

1. Visit the management office and submit the exact cash amount.
2. Wait for the landlord to record the transaction in iReside.
3. Open your Finance Hub screen and refresh the page.
4. Locate your new receipt row under **Payment History**.

Payment Method Comparison & Requirements

PAYMENT METHOD	VERIFICATION DATA	PROCESSING SLA
GCash / Maya Transfer	Screenshot and 13-digit reference number	Verified within 24 hours of upload.
Cash to Landlord	Handover to management office in person	Instant electronic ledger update on receipt.

TASK T5 Submit Repair Request (Report Repairs)

When experiencing damaged fixtures, plumbing issues, or electrical faults:

1. Click **Maintenance** in the main navigation menu.
2. Click the **+ Submit Request** button at the top right.
3. Select an issue category such as **Plumbing** or **Electrical**.
4. Type a clear, detailed description of the maintenance problem.
5. Click **Upload Photo** and choose clear picture evidence.
6. Click **Submit Ticket** to dispatch the repair work order.

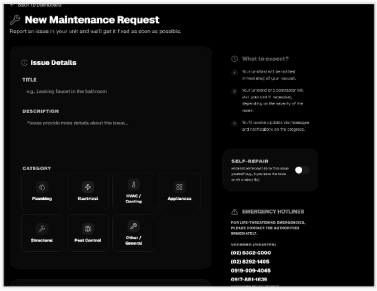

FIGURE 3: REPAIR REQUEST FORM (CATEGORY, DESCRIPTION, AND PHOTO UPLOAD)

TASK T6 Send Direct Message to Landlord

For inquiries, notices, or general questions with property management:

1. Click **Messages** in the left navigation sidebar.
2. Select the conversation thread with your property manager.
3. Type your question or inquiry in the message composer.
4. Click the **Send** icon to dispatch your message immediately.
5. You will receive a notification alert once management replies.

Maintenance Priority Matrix & SLA Times

FAULT CATEGORY	REPRESENTATIVE DAMAGE	TARGET RESOLUTION SLA
Plumbing	Water leaks, pipe burst, faucet failure	Resolved within 24 hours.
Electrical	Exposed wire, breaker trip, light failure	Resolved immediately or within 12 hours.
General Fixture	Window lock, door hinge, cabinet damage	Resolved within 48 to 72 hours.

TASK T7 Submit Move-Out Notice (Notice to Vacate)

When your lease concludes and you intend to vacate your unit:

1. Click **Leases** in the main navigation menu.
2. Review your active tenancy contract specifications.
3. Click the **Submit Move-Out Notice** button.
4. Select your intended move-out departure date on the calendar.
5. Provide your moving reason and click **Confirm Notice**.

TASK T8 Sign In Using Emergency Spare Key

If you lose your phone or cannot access your email inbox:

1. On the login page, click the **Use Emergency Key** link.
2. Enter your registered account email address.
3. Enter your unique 16-character Emergency Spare Key code.
4. Click the **Unlock Account** button to authenticate.
5. Set a new password and save your replacement emergency key.

Move-Out Inspection & Emergency Recovery Matrix

WORKFLOW AREA	REQUIRED ACTION	VERIFICATION STANDARD
Room Cleanliness	Trash removed and surfaces cleaned.	Cleaning fee charged if left dirty.
Key Handover	All gate and unit keys returned.	Missing keys deducted from deposit.
Final Submeters	Final water and electric readings taken.	Final usage deducted from deposit balance.
Spare Key Recovery	Input 16-character emergency code.	Resets password and rotates recovery key.

Security Deposit Settlement & Deduction Schedule

DEDUCTION ITEM	ASSESSMENT STANDARD	SETTLEMENT WINDOW
Unpaid Utilities	Final electric and water submeter readings.	Deducted directly from deposit balance.
Room Damage	Physical inspection and repair estimate.	Itemized repair receipts provided to tenant.
Remaining Balance	Deposit funds minus verified deductions.	Refunded within 15 days of departure.

> **Security Directive: Store your Emergency Spare Key offline. Do not share it over messages.**

TASK L1 Add New Rental Property and Units

Register a new rental building and its inventory in the portal:

1. Click **Properties** in the left navigation sidebar.
2. Click the **Add Property** button in the top action bar.
3. Enter your building title under **Property Name**.
4. Provide the complete address and select number of floors.
5. Specify room counts for each floor level.
6. Click **Create Property** to register the building in iReside.

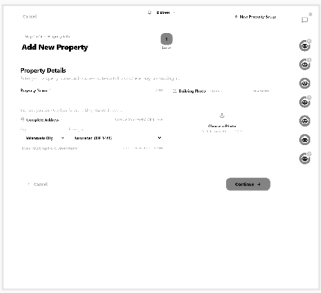

FIGURE 4: PROPERTY CREATION MODAL (TITLE, ADDRESS, AND FLOOR LEVELS)

TASK L2 Configure Interactive Unit Map

Create visual 2D floorplans for effortless hallway oversight:

1. Click **Unit Map** in the main navigation menu.
2. Choose an architectural preset like **Double Loaded** or **Single Loaded**.
3. Drag and drop room cards to match your corridor layout.
4. Click any unit card to edit numbers and monthly rates.
5. Click **Save Layout** to publish your floor plan.

Property Specifications & Boundary Rules

CONFIGURATION FIELD	INPUT CONSTRAINT	OPERATIONAL GUIDANCE
Property Title	Maximum 60 alphanumeric characters	Use distinct building name for recognition.
Complete Address	Barangay Marulas street location	Must be physical location within pilot area.
Floor Count	Number from 1 to 10 floors	Generates structural floor plan levels.

TASK L3 Configure Utility Rates & Payment Details

Establish utility billing tariffs before calculating water and power:

1. Click **Utility Billing** in the left navigation menu.
2. Open the **Electricity & Water Rates** configuration tab.
3. Set electricity rate per kWh and water rate per cubic meter.
4. Enter your official **GCash Mobile Number** and account name.
5. Click **Save Financial Configuration** to apply rates across units.

> Tip: Ensure your GCash account name matches official payment recipient details.

TASK L4 Add New Resident Tenant (Quick Add)

The fastest onboarding method when meeting residents in person:

1. Click **Tenants** in the sidebar and click **+ Add Tenant**.
2. Select the **Quick Add** onboarding tab.
3. Enter the resident Full Name, Email Address, and Phone Number.
4. Assign a vacant room, monthly rent, and lease start date.
5. Click **Create Tenant Account** to generate login credentials.

Utility Tariff Structure & Billing Specifications

UTILITY SERVICE	MEASUREMENT UNIT	BILLING FORMULA
Electricity	Kilowatt-hour (kWh)	Usage multiplied by configured rate per kWh.
Water	Cubic meter (m^3)	Usage multiplied by configured rate per cubic meter.
GCash Account	11-digit mobile number	Displayed directly on tenant invoices.

Tenant Onboarding Options & Account Provisioning

ONBOARDING OPTION	INTENDED APPLICANT	SYSTEM OUTPUT
Quick Add	Walk-in tenants meeting in person.	Instant account with temporary password.
Self-Onboarding	Remote applicants using mobile phones.	Secure application link sent via SMS or chat.
Digital Lease	Approved incoming residents.	Binding electronic contract ready to sign.

> **Privacy Standard:** Tenant phone numbers and contact details remain protected under Republic Act 10173.

TASK L5 Generate Self-Onboarding Invite Link

Allow prospective tenants to complete application forms on mobile:

1. Inside the Add Tenant dialog, click **Self-Onboarding Link**.
2. Select the target vacant unit and link expiration timeframe.
3. Click **Generate Onboarding Link** to create the registration URL.
4. Click **Copy Link** or show the QR code to the applicant.
5. You receive an instant alert when the tenant submits their application.

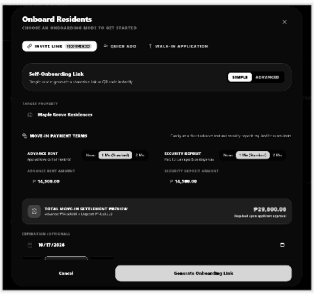

FIGURE 5: RESIDENT ONBOARDING WINDOW (QUICK ADD AND SELF-ONBOARDING LINK)

TASK L6 Review and Process Walk-in Applications

Process rental applicants who visit your management office:

1. Open **Tenants** in the sidebar and choose the **Applications** tab.
2. Click the applicant name to inspect uploaded identity credentials.
3. If documentation is approved, click the **Approve Application** button.
4. Select the unit assignment and generate the digital lease agreement.
5. The platform automatically sends sign-in credentials to their verified email.

Applicant Verification & Document Review Criteria

VERIFICATION ITEM	REQUIRED EVIDENCE	APPROVAL DIRECTIVE
Government ID	UMID, Passport, or Driver License	Verify photo matches applicant name clearly.
Mobile Contact	11-digit Philippine mobile number	Perform test phone call or SMS inquiry.
Assigned Room	Vacant unit on interactive map	Confirm room status before lease generation.

TASK L7 Verify and Settle Tenant Payments

Confirm electronic GCash transfers or direct cash collections:

1. Click **Finance Hub** in the left navigation sidebar.
2. Under **Pending Verification**, click the submitted tenant payment row.
3. Review the uploaded receipt screenshot and match the reference number.
4. Click the **Confirm Payment** button to approve the transaction.
5. The tenant balance updates instantly and a receipt is issued.

TASK L8 Record Submeter Readings (Electric & Water)

Automate tenant utility billing calculations effortlessly:

1. Click **Utility Billing** and open the **Submeters** tab.
2. Select a room and enter current numbers into **Current Reading**.
3. The system computes exact consumption from previous recorded readings.
4. Total charges are calculated using your configured utility tariff rates.
5. Click **Save Reading & Generate Bill** to post charges.

Payment Settlement & Submeter Invoicing Matrix

WORKFLOW ACTION	VERIFICATION DATA	LEDGER RESULT
GCash / Maya	Match 13-digit reference number against statement.	Mark invoice paid and issue receipt.
Physical Cash	Confirm exact cash received in office.	Record cash transaction in ledger.
Partial Payment	Accepted payment is less than total due.	Deduct paid amount and retain remaining balance.
Submeter Billing	Net usage multiplied by tariff rate.	Consolidated invoice posted to tenant portal.

Utility Tariff Standards & Meter Variance Policies

UTILITY SERVICE	BILLING BASELINE	AUDIT VERIFICATION STANDARD
Electricity (kWh)	Submeter consumption multiplied by tariff rate.	Monthly photo documentation of analog dials.
Water (Cubic Meters)	Net volume usage times configured rate.	Checked against master water utility bill.

> **Audit Standard:** Take reference photos of analog meters during monthly inspections to verify records.

TASK L9 Manage and Resolve Maintenance Requests

Process repair work orders submitted by building residents:

1. Click **Maintenance** in the left navigation sidebar.
2. Click any ticket marked with a red tag or **Pending** status.
3. Review the problem description and photo evidence submitted by resident.
4. Assign the repair: **Landlord Repair** or **Third Party Repair**.
5. Click the **To Process** button to start scheduling.
6. Once work is finished, click the **Mark as Completed** button.

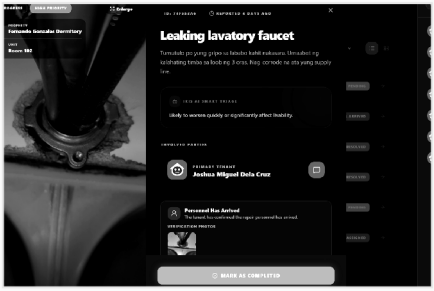

FIGURE 6: MAINTENANCE MANAGEMENT (WORK ORDERS, SCHEDULING, AND RESOLUTION)

TASK L10 Post Building Announcements

Broadcast essential building advisories (such as water maintenance):

1. Click **Community Hub** in the left navigation sidebar.
2. In the composer toolbar, select the **Announcement** tab.
3. Type the full notice details for your building residents.
4. Click **Photo** if you wish to attach an informative image.
5. Click the **Publish** button in the bottom right corner.

Maintenance Workflow & Resolution Protocol

WORKFLOW STAGE	RESPONSIBLE ACTOR	TARGET RESOLUTION STANDARD
Initial Review	Landlord Property Manager	Review damage photo within 12 hours.
Work Assignment	Internal Caretaker or Vendor	Schedule physical repair date with tenant.
Final Sign-Off	Landlord and Resident Tenant	Confirm repairs and close maintenance ticket.

TASK L11 Process Move-Out and Security Deposit

Execute structured move-out settlements when residents vacate:

1. Click **Leases** in the sidebar and open **Move-Out Requests**.
2. Complete the physical room inspection using the built-in checklist.
3. Enter itemized deductions for damages or outstanding utility balances.
4. The system calculates the net refundable **Security Deposit** amount.
5. Click **Finalize Move-Out** and disburse remaining funds to tenant.
6. The assigned room status returns to **Vacant** automatically.

> Tip: The system automatically deducts unpaid utility bills from deposits.

TASK L12 Export Financial Reports and Ledgers

Extract verified income and expense records for financial auditing:

1. Click **Finance Hub** in the menu and select **Reports**.
2. Select your reporting period by month, quarter, or annual range.
3. Inspect total collected rent, electricity fees, and water charges.
4. Click the **Export PDF** button to download a formatted statement.
5. Save or print the document for official property bookkeeping records.

Move-Out Settlement & Security Deposit Deductions

DEDUCTION ITEM	ASSESSMENT STANDARD	SETTLEMENT DIRECTIVE
Utility Arrears	Final submeter meter readings.	Deducted directly from deposit balance.
Room Damages	Damage exceeding normal wear and tear.	Itemized repair receipts provided to tenant.
Net Refund	Remaining security deposit balance.	Transferred via GCash or cash within 15 days.

Financial Reporting & Tax Audit Export Reference

REPORT FORMAT	COVERAGE PERIOD	KEY FINANCIAL METRICS
Monthly Rent Ledger	Current billing month	Total collected rent, unpaid arrears, utility fees.
Annual Revenue Sheet	12-month calendar year	Gross rental collections, deductions, net income.
Submeter Utility Audit	Monthly meter readings	Initial reading, final reading, total billable units.

> **Bookkeeping Directive:** Retain exported PDF financial reports for 5 years for tax compliance.

Troubleshooting Frequently Encountered Issues

1. Did not receive 2FA verification email?
Check your Spam or Junk folder. Wait 60 seconds before clicking Resend Code.

2. Forgotten password and unable to access email?
Use your Emergency Spare Key. Click Use Emergency Key on the login screen.

3. Weak internet connection while submitting payments?
Save your receipt screenshot. Upload proof once your internet connection is restored.

4. Submitted payment not yet deducted from balance?
Landlords must review and confirm receipts before balances update on screen.

5. How to upload clear repair request photos?
Turn on room lighting. Capture close-up photos of the specific damaged fixtures.

6. Who to contact during building emergencies?
Contact management emergency hotlines or Barangay Marulas Rescue Services immediately.

7. How to resolve camera permission errors when uploading receipts?
Open phone browser settings. Tap Site Settings, select Camera, and choose Allow.

Data Privacy & Legal Compliance Standards

REGULATORY MANDATE	PROTECTED DOMAIN	COMPLIANCE IMPLEMENTATION
RA 10173 (Data Privacy)	Tenant personal information	Encrypted storage of ID photos and phone numbers.
RA 8792 (E-Commerce)	Digital lease agreements	Legally binding electronic signatures on contracts.
Audit Trail Standard	Financial payment records	Immutable transaction timestamps on receipts.

Essential Security Guidelines

- **Keep Passwords Secret:** Never share passwords with anyone. Use mixed letters and numbers.
- **Store Emergency Keys Safely:** Save your spare key on a flash drive or notebook.
- **Beware of Phishing Messages:** Never log in through text message links. Use official URLs.
- **Archive Payment Receipts:** Save reference numbers and keep digital payment proof files.
- **Protect Personal Identity Data:** Government IDs remain encrypted and restricted to verified management.

Frequently Asked Questions (FAQs)

Q: How are monthly electricity and water bills computed?
System subtracts previous meter readings from current readings and multiplies tariffs.

Q: Are digital lease signatures legally binding in the Philippines?
Yes. Electronic signatures comply with Philippine Republic Act No. 8792.

Q: How is resident personal data protected inside iReside?
System complies with the Philippine Data Privacy Act of 2012 (RA 10173).

Q: What should I do if my GCash payment fails during transfer?
Wait 5 minutes, verify GCash wallet balance, and re-attempt payment transfer.

Official Helpline & Technical Support

For operational support, reach out to: **support@ireside.ph** | Tel: **(02) 8292-1000** (Monday through Saturday, 8:00 AM – 5:00 PM). Barangay Marulas Hall, MacArthur Highway, Valenzuela City.

Local Emergency & Assistance Hotlines

PUBLIC AGENCY	SERVICE SCOPE	EMERGENCY CONTACT
Barangay Hall	Barangay Marulas Community Desk	(02) 8292-1000
Fire Station	Valenzuela Fire Protection Service	160 / (02) 8292-2222
Police Substation	Marulas Police Community Precinct	166 / (02) 8292-1111

Operational Glossary

2FA: Two-Factor Authentication securing logins with 6-digit email codes.
BASE RENT: Fixed monthly accommodation fee excluding utility submeter charges.
SUBMETER: Individual utility meter dedicated to recording room water or electric usage.
MAINTENANCE TICKET: Digital work order tracking property repairs and resolutions.
EMERGENCY SPARE KEY: Cryptographic backup code restoring access when phones are lost.
DASHBOARD: Operational overview displaying rent statuses, announcements, and quick tools.
LEDGER: Comprehensive financial ledger tracking debits, credits, and rent collections.
INVOICE: Itemized monthly billing statement specifying exact payments due.
UNIT MAP: Visual floorplan displaying vacant and occupied rental rooms.
SECURITY DEPOSIT: Upfront refundable deposit protecting landlords against property damages.
UPLOAD: Submitting images or documents from your device to iReside.
MOVE-OUT NOTICE: Formal notification declaring intention to vacate rental premises.
TARIFF RATE: Unit cost per kilowatt-hour or cubic meter of water.
